The Italians founded the word Graffiti, the anonymous one-line scribblings found on fences, sidewalks and walls.

In the past graffiti has ranked low on the literary scale, but lately the messages have gained respect.

Since grafitti has become so popular and lives forever, what better theme could you have for the 1974-75 Purple and White.

The pages of this book are the grafitti of this year written upon the walls of time.

I believe in the sun,
even when it does not shine.

Together we've walked through the storm,
Alone we've stood in the darkness.
Together for the last time we travel on,
With open minds through another storm,
Another darkness, only searching for tomorrow.

School has started and everyone is doing their own thing. Even the policeman gets involved. You can eat watermelon, or eat lunch in Coomers' truck, sit on the front lawn and watch the boys go by. You can go to band practice at 7:15 a.m. or go to the game with the gang. And if you're in the mood you can even do a little studying.

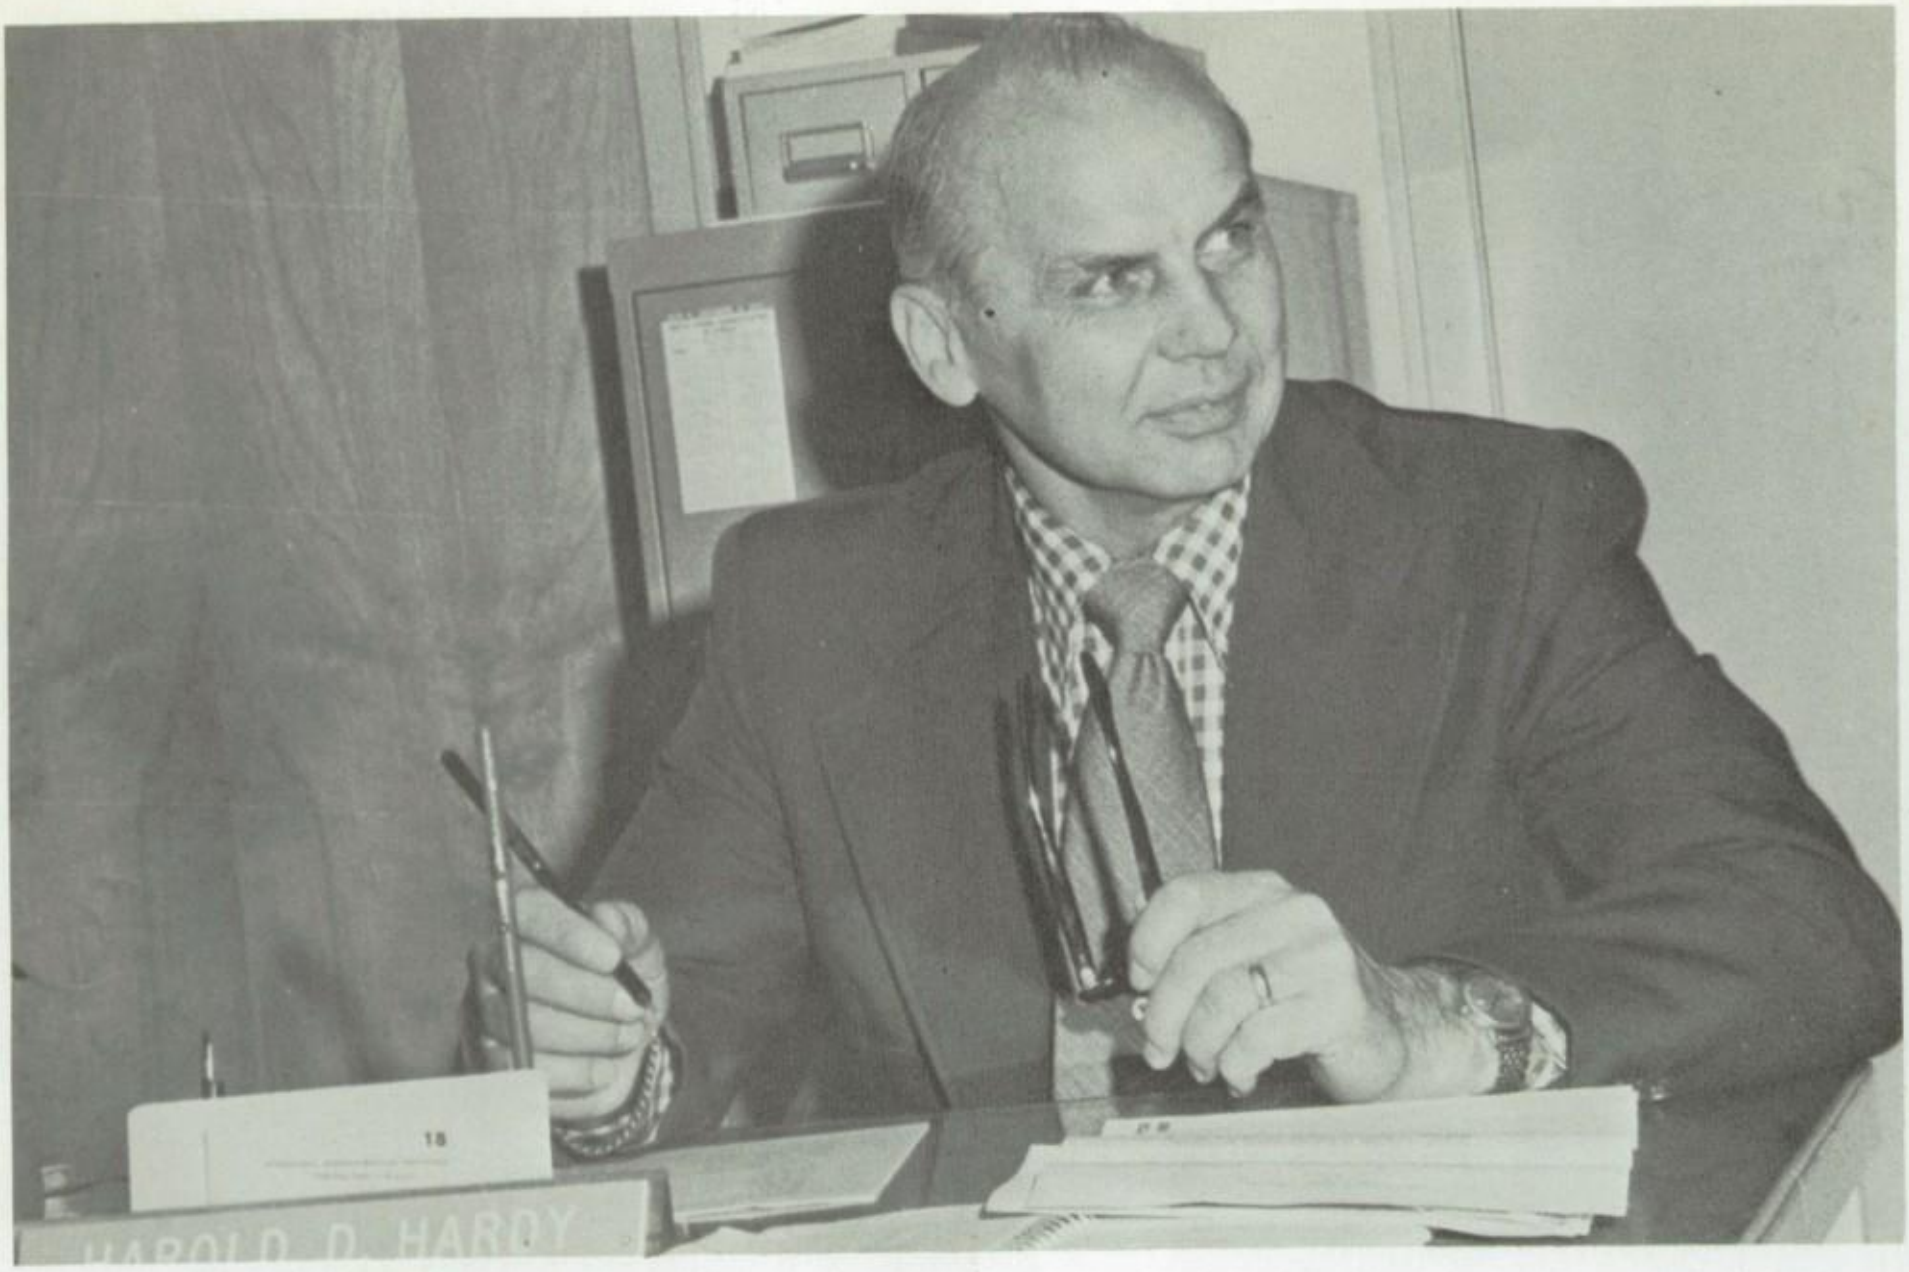
Dr. Jack Reed - Superintendent

Mr. David Huffman - Assistant Superintendent

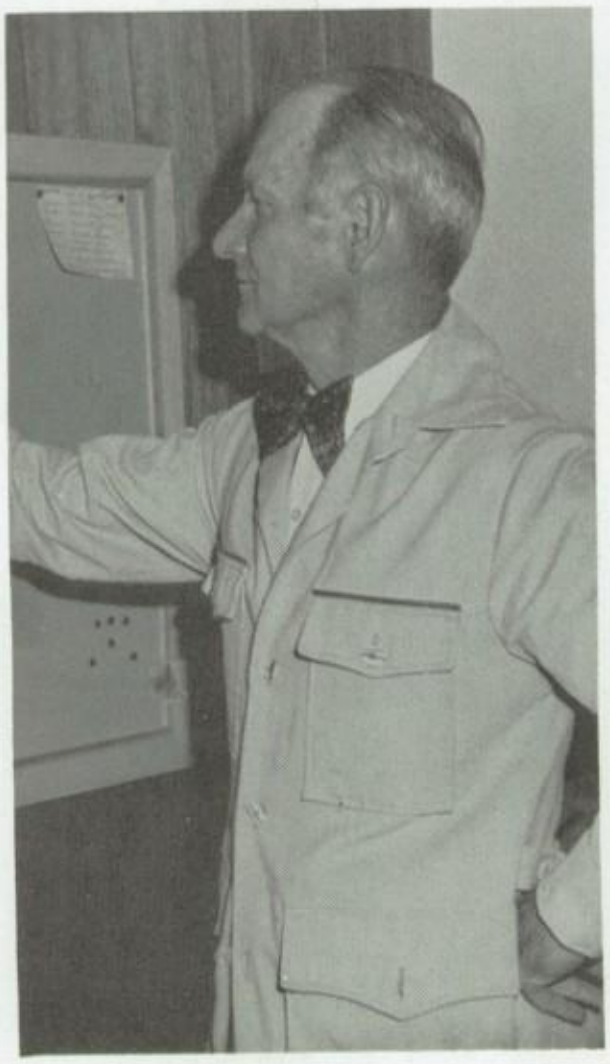
Dr. Jack Reed, Superintendent of District 250 is in his 4th year of administration. Dr. Reed, originally from Chanute is quite a sportsman. His activities give him an occasional breather from the pressures of being Superintendent.

Dr. David Huffman, Assistant Superintendent, fills most of his spare time with his hobbies, antiquing, camping, or canoeing. These things help to break away from the everyday life of Assistant Superintendent.

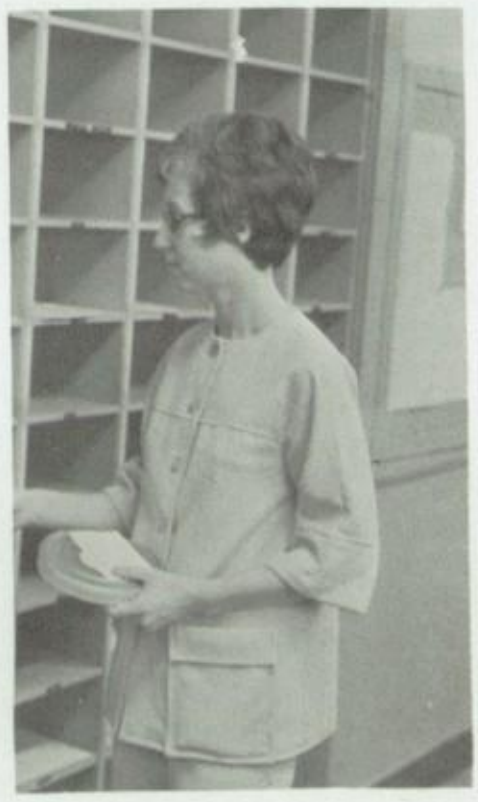


Mr. Harold Hardy - Principal

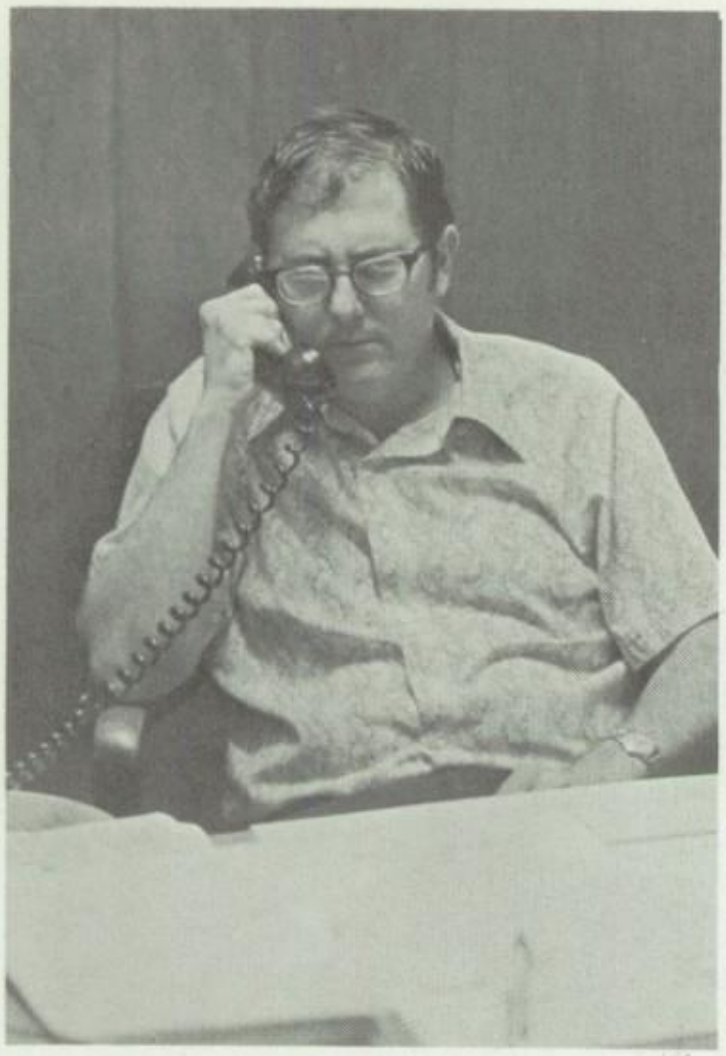
Mary Hiner Secretary-
Treasurer



Mr. James Morey V-Principal



Joetta Gardner - Secretary



Mr. Grisolano and Mr. Kabance split the alphabet between themselves. Each day their offices are swamped with kids who want some counseling and believe it or not they have time for everyone. Eleanor Martin works in the outer office where she assists the guidance counselors. Mr. Garrison is the placement Specialist. Mrs. Thompson is the librarian assistant who is really a lot of help to all the kids that come in to use the library.

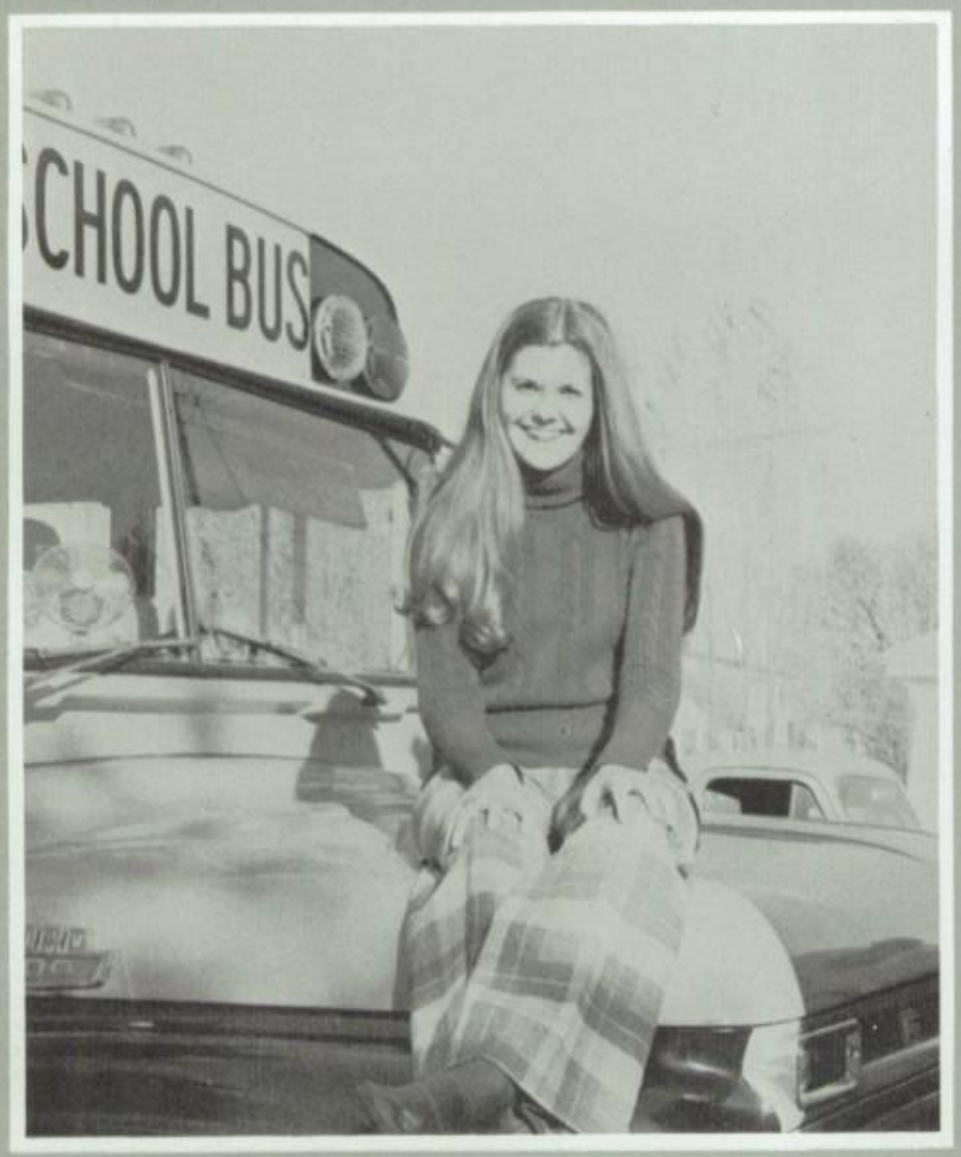
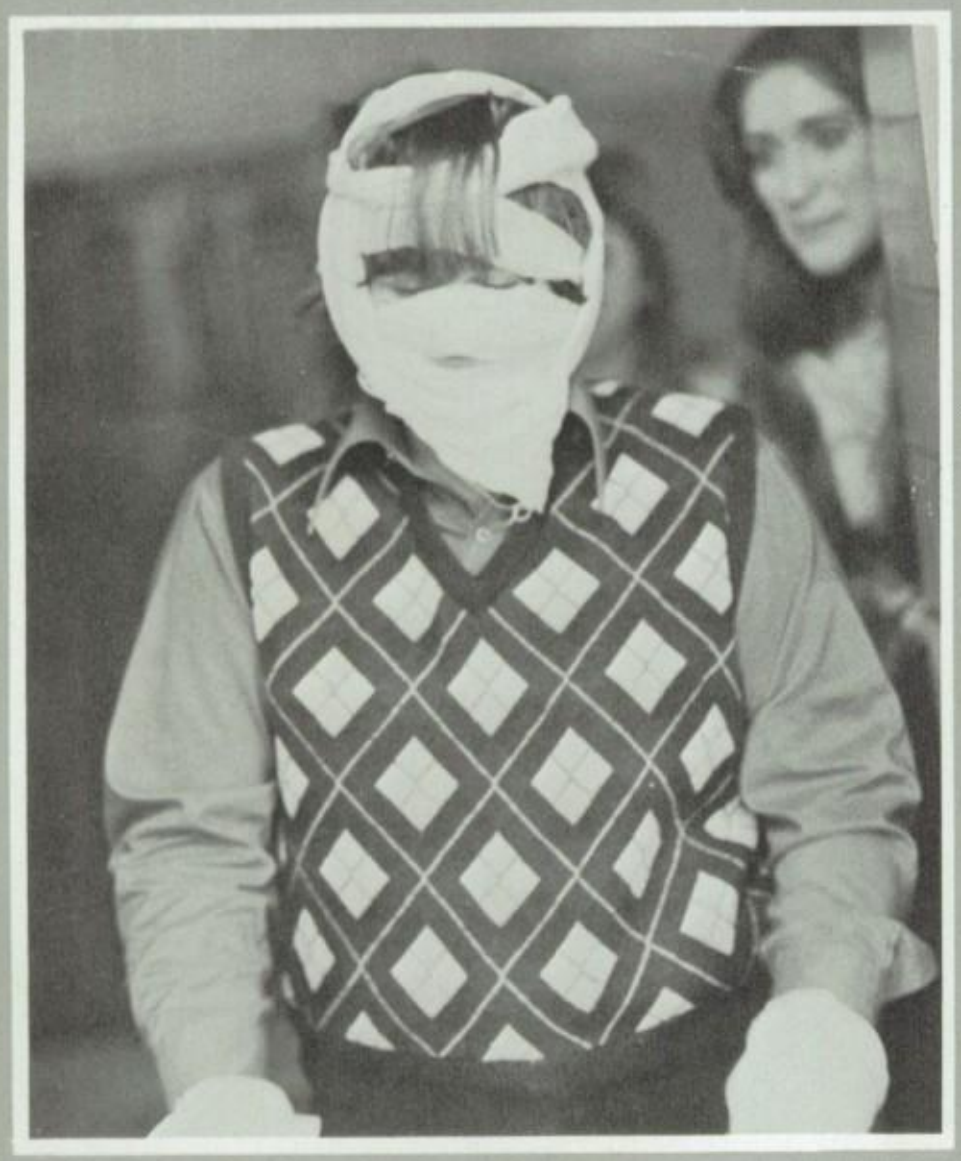
Those were the days!





Student life consists of all kinds of strange things! It's not unusual to see someone walking around the halls with tape on their face acting as a mummy, or to see someone lying underneath the wheel of a car! After lunch its just as easy to hang from a tree to dispose of the waste than to run to the bathroom during 4th hour! Students spend their free time in many different ways. At noon Bob Sell enjoys the back of Curt Medlins van doing what I didn't ask! And notice Meg and Heather are just being themselves!

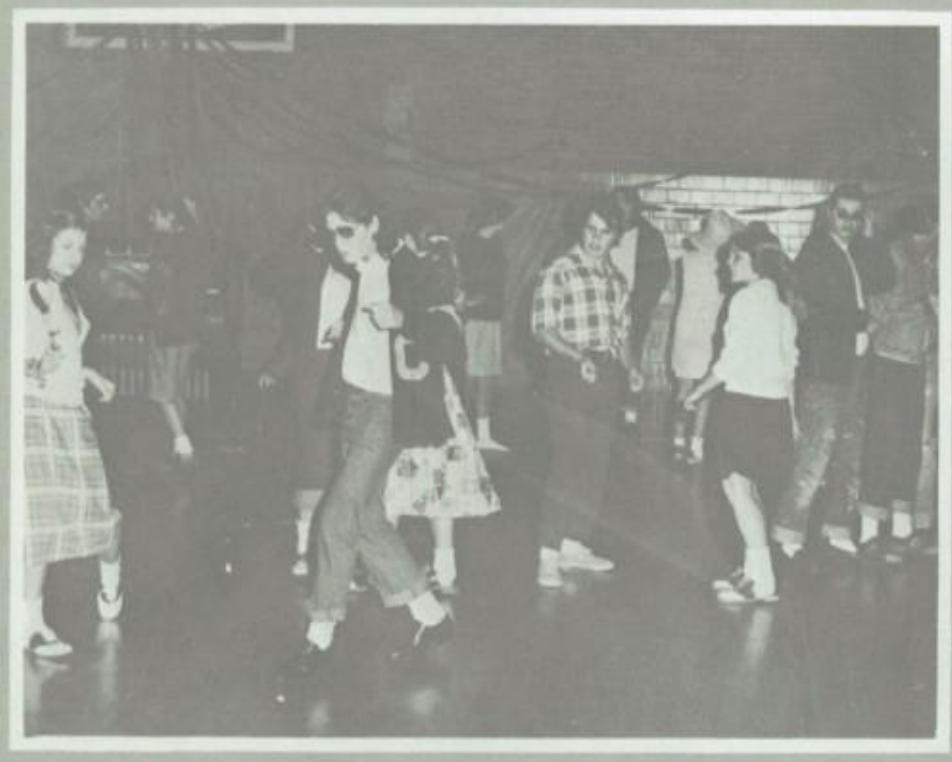
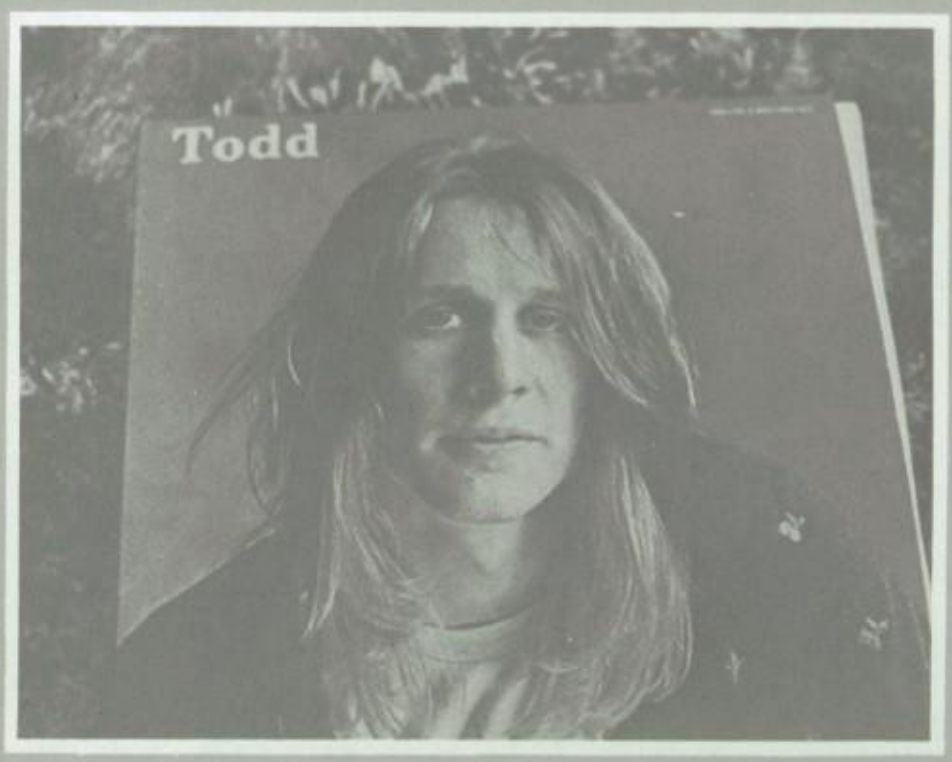
Hey, what's up Pete?

Ah, yes those were the days!





Remember the fifties dance and all the crazy times we dressed up just for a change of pace, and to liven up the routine school day. Remember the night we won the coal bucket, and the night we lost to Fort Scott? We were always moving, never slowing down, just wanting to have a good time, and it seems the good times outnumbered the bad. The pit parties were a place for everyone to get crazy, and draggin' the gut seemed to be the best way to find a party when the weather got cold. With all of this, how can we forget the great classes of 75, 76, & 77. . . . .take your shoes off, stay awhile!

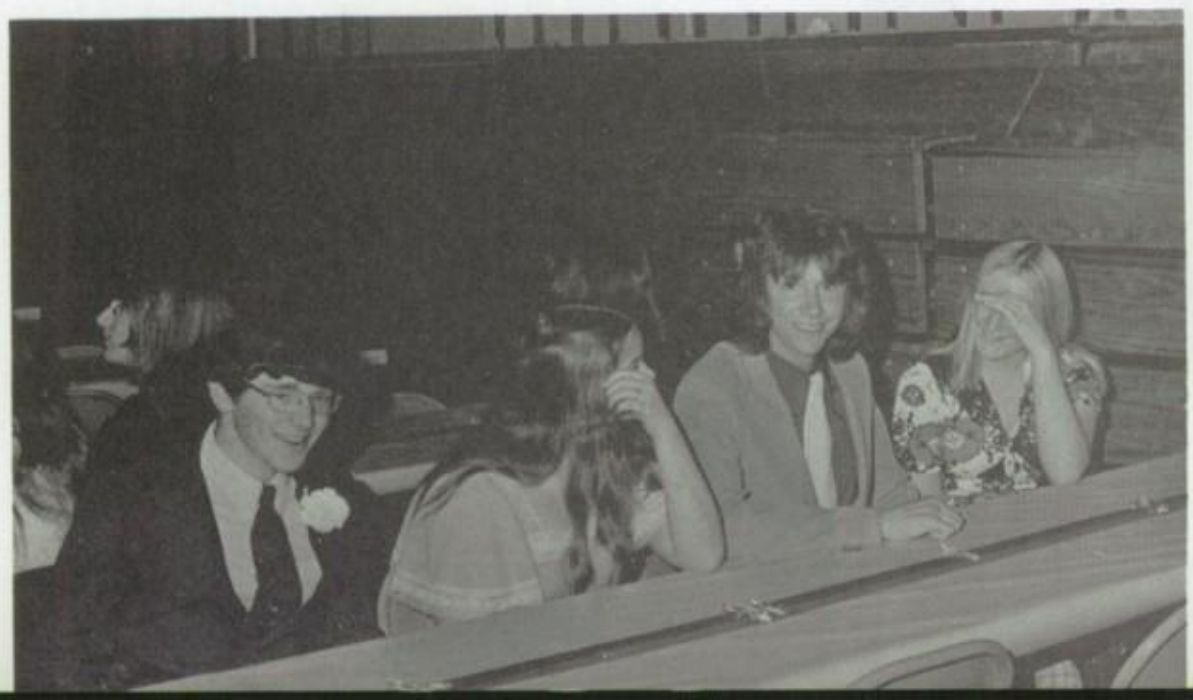
Misty Wonderland...

Misty Wonderland. . .a time to remember. The forcast was snow for the annual Christmas dance, but as usual the weatherman was wrong. Long dresses, corsages, boutonnieres and all the trimmings were appropriate for the big night out. The Christmas spirit was slowly taking effect as everyone was looking forward to the Christmas vacation. Half the year over. . .and the beginning of a new year.



A Time to Remember

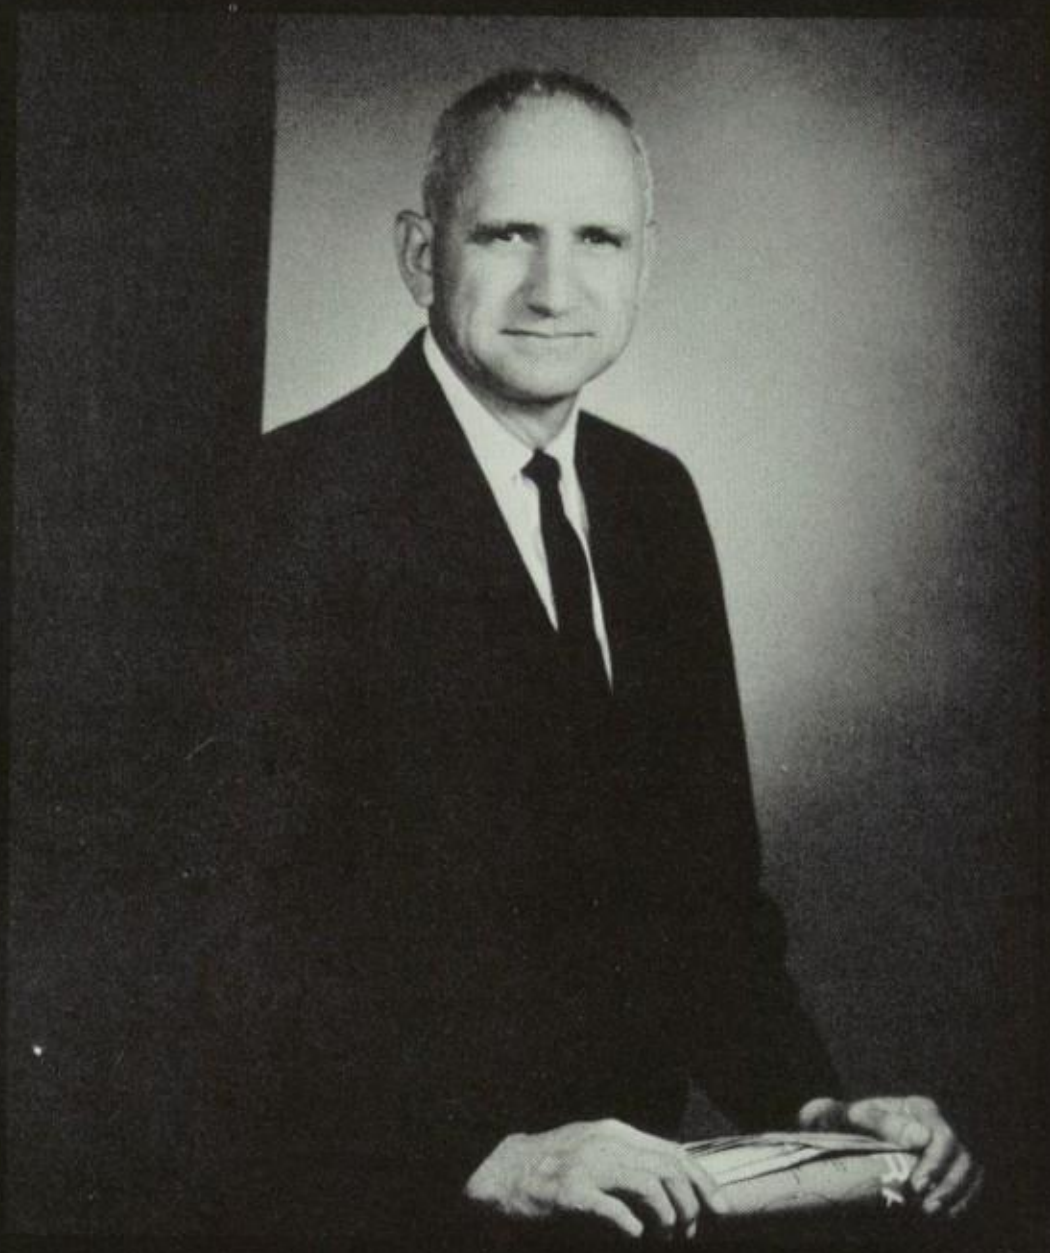
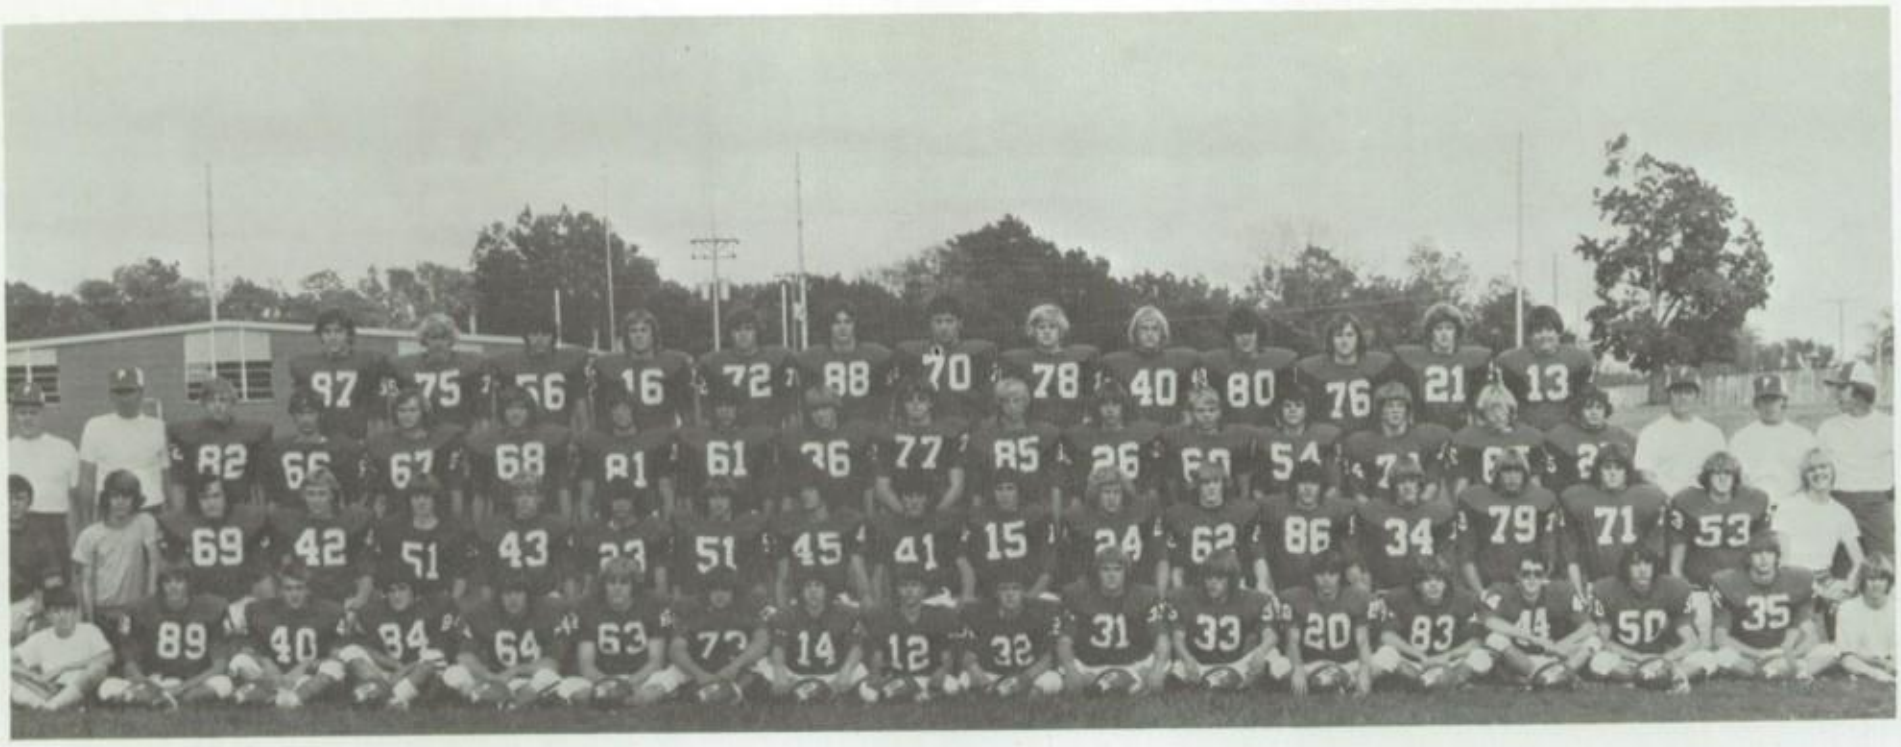
ATHLETICS. . .

He made it more than just sports.



This section is dedicated to Martin E. Rohde. He was head football coach for 14 years, and named coach of the year in 1954. He then moved to athletic director and supervisor of studyhall. The death of this Coach on October 8, 1974, stunned friends, faculty and students, and he will live on in memory.



During the 1974 football season the purple dragons again proved to be a major powerhouse in the S.E.K.L. Starting the season off with a come from behind overtime victory over Independence the Dragons then breezed by the next 3 opponents by not allowing a point to be scored on them. Then the battle of the unbeatens as the Dragons meet arch-rival Ft. Scott at Hutchinson Field for the homecoming contest. The dragons came up on the short end of a 31-19 score. This marked the first time in six years P.H.S. had been defeated on it's home field. A string of 24 games which was the longest home field winning stretch in the state. Following the loss the Dragons offense came into it's own. The last four regular season games were sparked with fantastic execution as P.H.S. scored 34,41,27,37 points all against quality opponents. Entering the playoffs for the 4th year in the 6 year history of the state games the Dragons had high hopes for a state championship. Getting one T.D. called back and a score of other bad breaks the successful '74 season was ended by a heart-breaking loss to K. C. Miege 21-7.

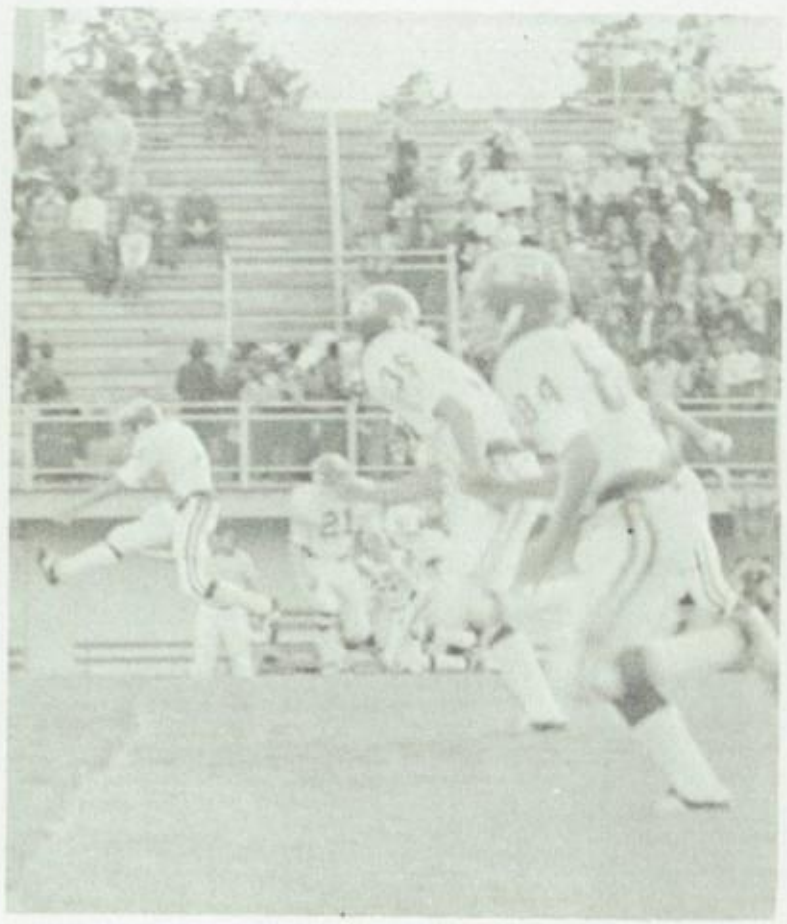
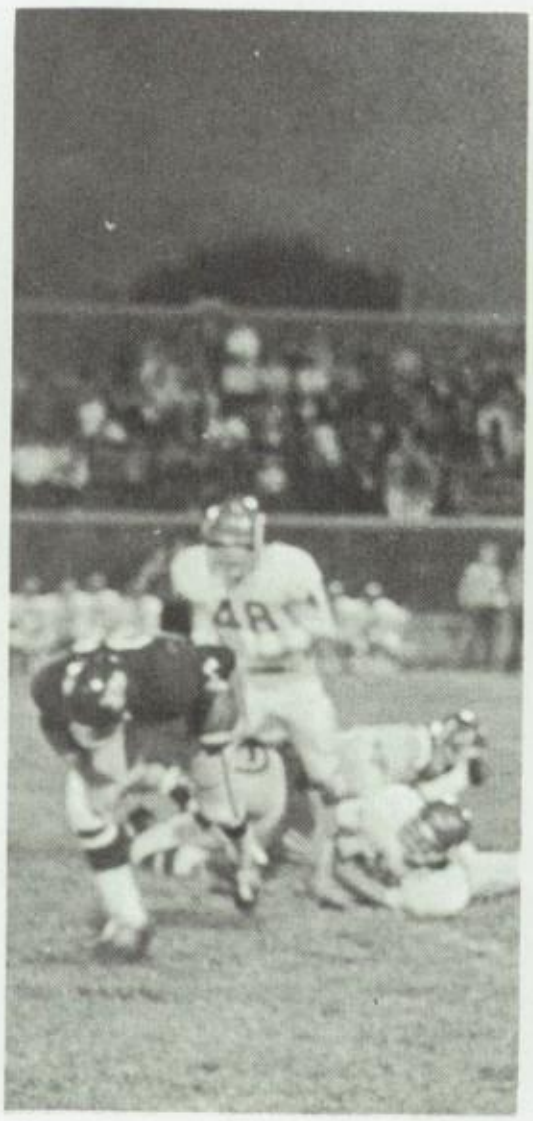
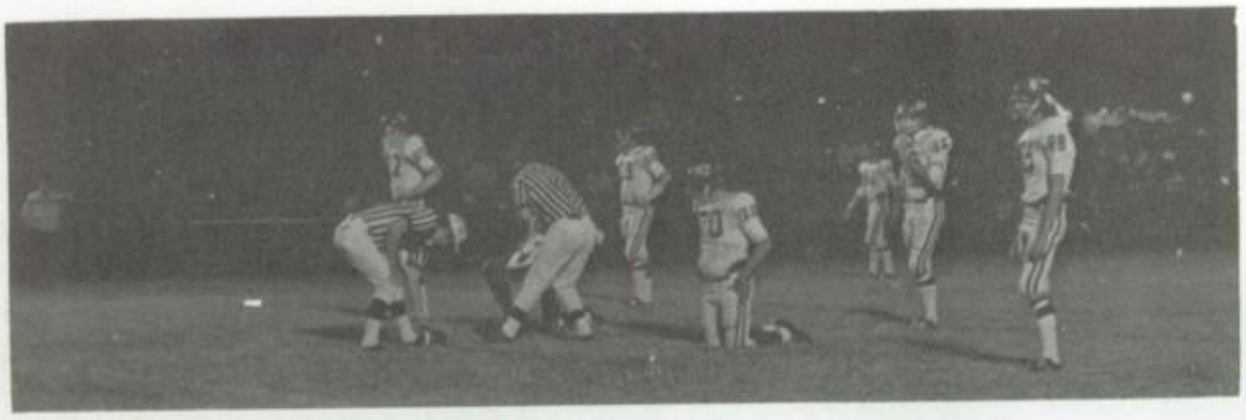
P.H.S. 27 Independence 21 - On Friday, September 13th, the Purple Dragons were given all the luck imaginable when Juniors E.G. Amoneno and Greg Harry teamed up for two unbelievable touchdown passes. The passes and a 46 yard T.D. run by Dennis Sumpter helped P.H.S. to come from behind to tie Independence. Then in the first and only overtime game in the history of Dragon football, Mike Drenick galloped 7 yards with the winning touchdown.



P.H.S. 52 Altamont 0 - The Dragons' home-opener was a success as P.H.S. amassed over 400 total yards. The half-time score was 42-0 and during the second half, coach Larry Garmen substituted freely. Greg Garmen, Jeff Goble, Kevin McWilliams, Mike Drenick, and Ed Rudisill all scored touchdowns.

P.H.S. 16 Chanute 0 - Without the services of quarterback E.G. Amoneno, P.H.S. rode a defense that allowed Chanute 1 yard rushing to their second win of the season. Dennis Sumpter and Jeff Goble scored the T.D.s.

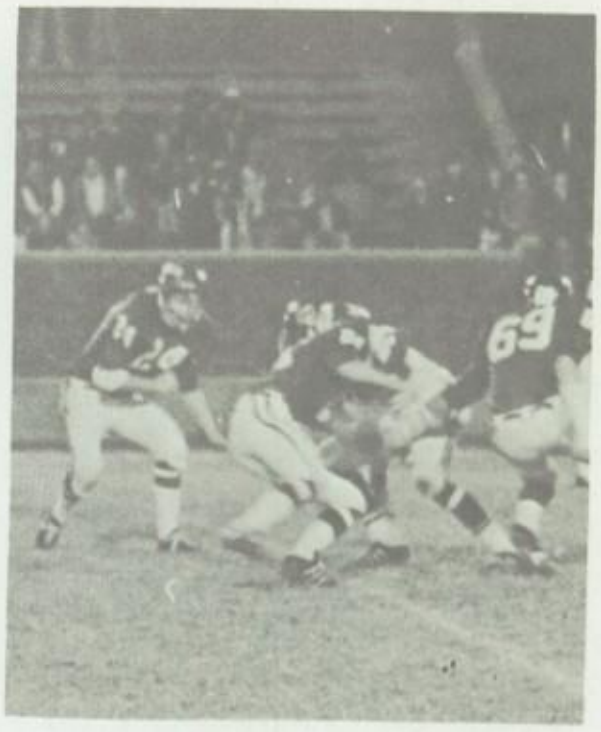


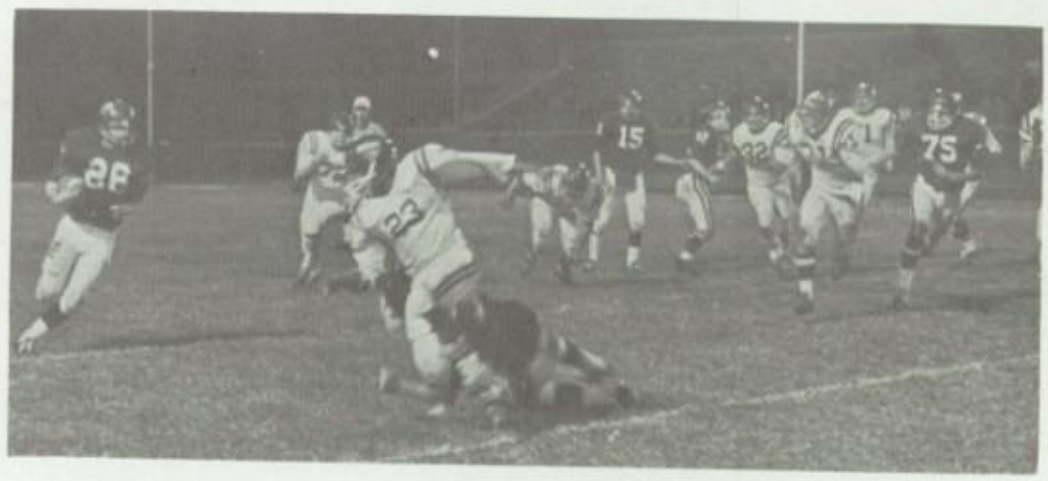


P.H.S. 14 Iola 0 - What was supposedly to be an easy game for P.H.S. turned out to be quite a battle. The score stood 0-0 for 3 quarters until Dennis Sumpter dove over on the first play of the 4th quarter. The Dragon defense getting its 3rd straight shoutout held Iola for less than 50 yards total offense.

HOMECOMING A DISAPPOINTMENT

P.H.S. 19 Ft. Scott 31 - With over 100 yards and two touchdowns through the air, the Tigers took possession of the League lead with the win. Add two more T.D.s by way of land and a safety in the disastrous 3rd quarter and the victory was secured. Dennis Sumpter, who scored all 3 of the Dragons' T.D.s was super.



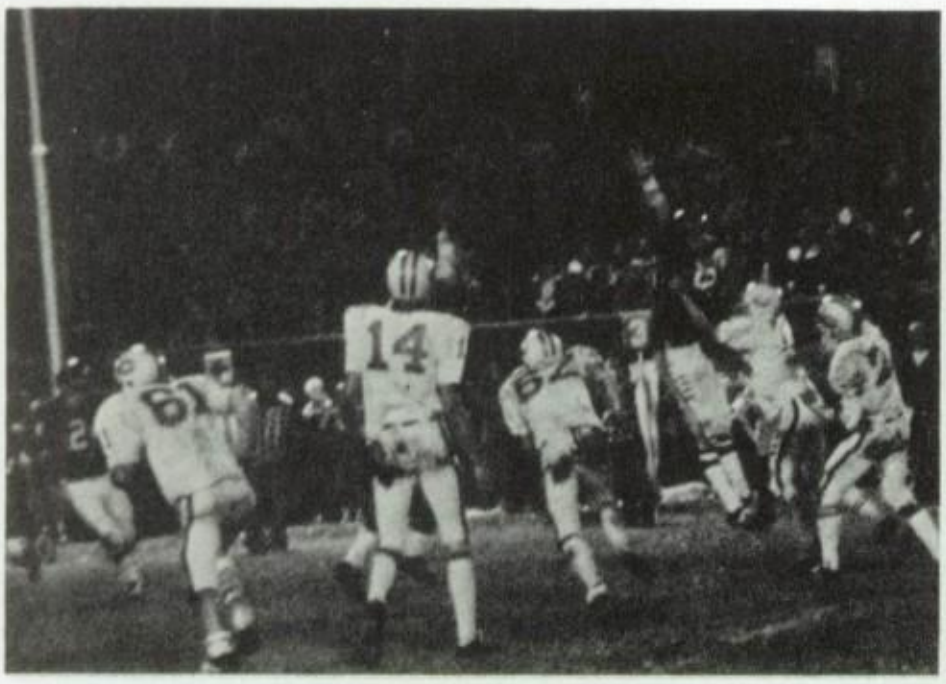


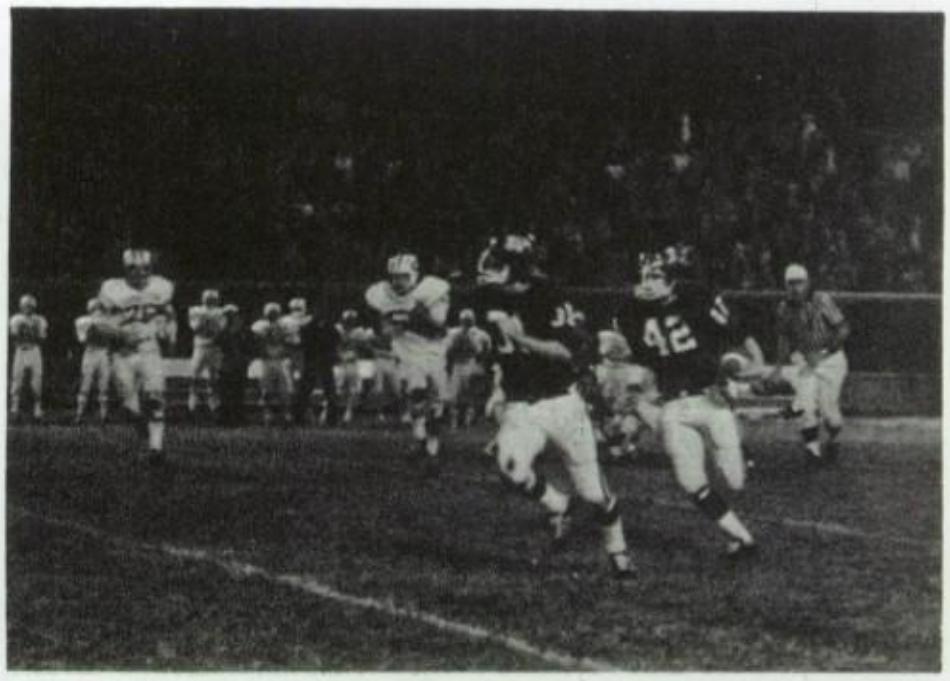
P.H.S 34 Parsons 12 - Behind the running of Jeff Goble and Mike Drennick, P.H.S. exploded for 20 points in the 4th quarter to defeat Parsons. Doug Ewing and Scott Matzenbocker came up with big interceptions that resulted in T.D.s.

P.H.S. 41 Coffeyville 14 - Jeff Goble set the stage early as he rambled 56 yards on the first play as P.H.S. destroyed Coffeyville. Goble was fantastic with 199 yards and 2 T.D.s all in the first half. Amoneno and Harry again teamed up for 2 touchdown bombs.

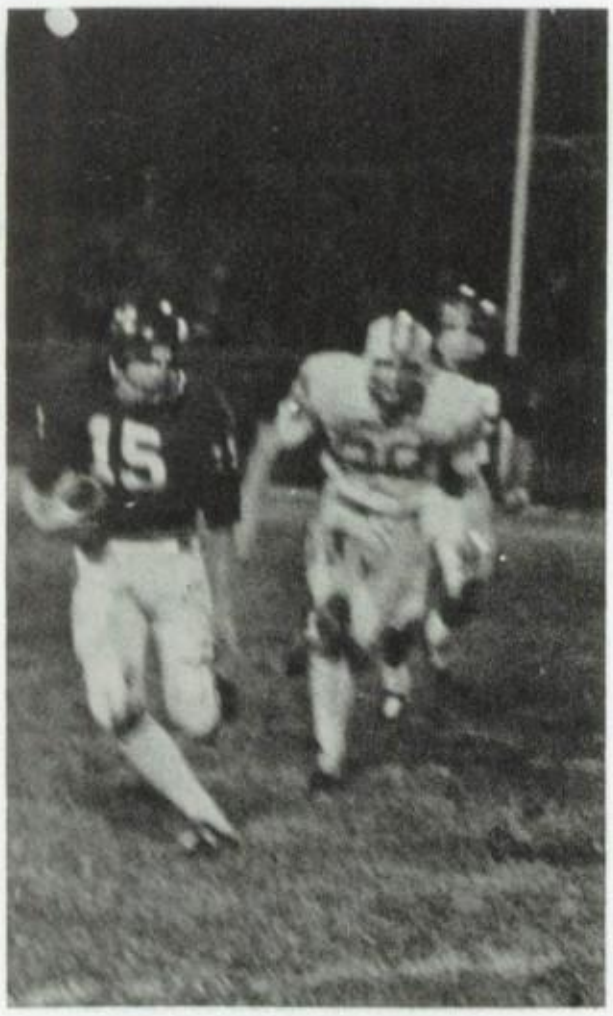
P.H.S. 27 Springfield Hillcrest 6 - Rolling up another 400 yards in total offense, P.H.S. won it's non-conference game. Goble, Drenick, and Sumpter each scored once. Amoneno added 3 extra-points and a pair of field goals.

THE BUCKET RETURNS HOME

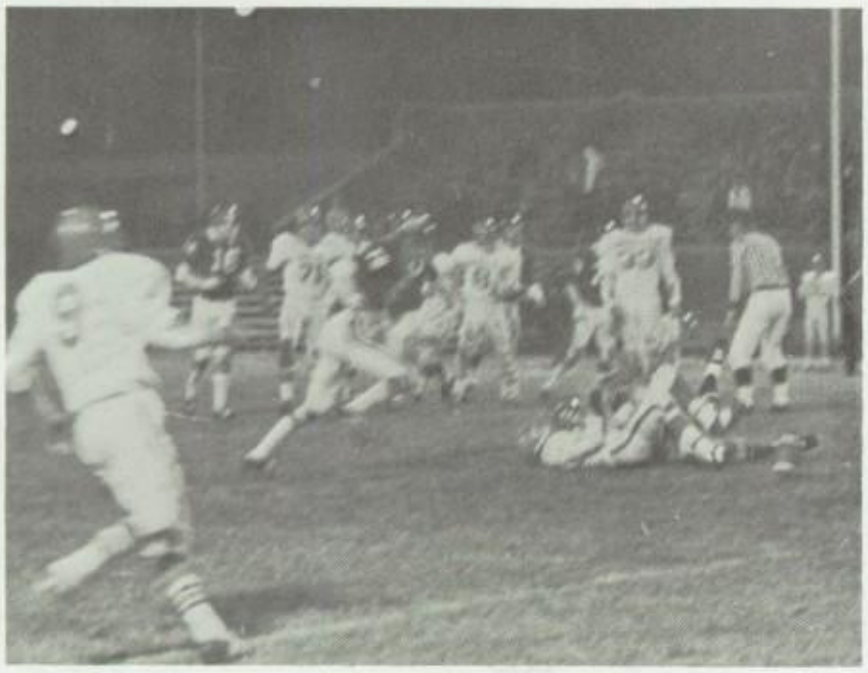


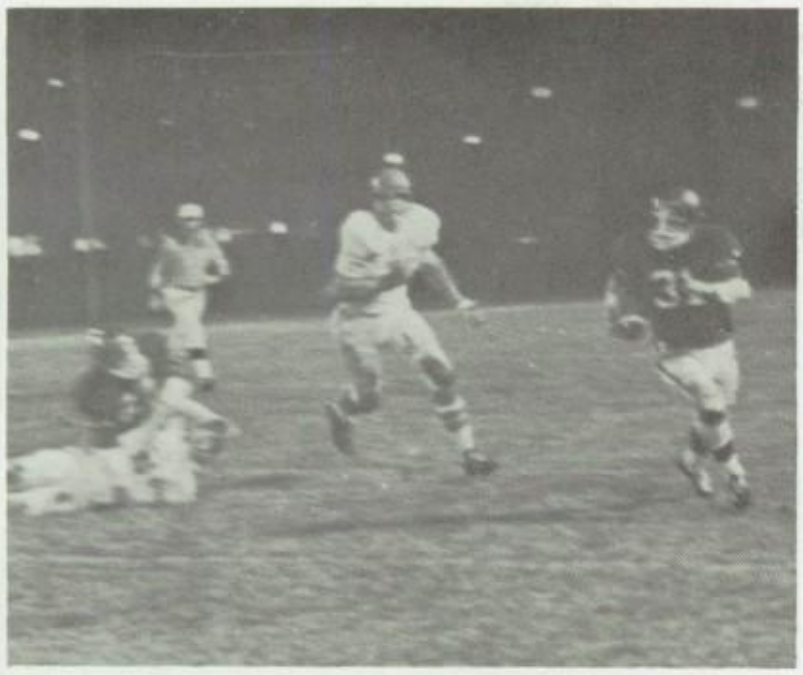


P.H.S. 37 Columbus 7-P.H.S. playing exactly opposite from last year's Columbus game did everything right in the convincing Coal Bucket victory. The Dragon offense which was devastating rolled up 358 yards rushing and another 122 passing for 480 total yards. The Dragon defense not to be overshadowed by their teammates held Columbus to 75 yards. Mike Drenick exploded for 3 touchdowns while Dennis Sumpter and Jeff Goble each scored once. E.G. again added a field goal. With the win the Dragons ended the regular season 8-1 and second in the S.E.K.



The End Of Another Good Season





P.H.S. 7 Miege 21--Entering the state playoffs for the 4th time in 6 years the Dragons had hopes for a state championship.

Taking the opening kickoff the Dragons were on the scoreboard 14 plays and 68 yards later. Not to be denied, Miege scored in 15 plays and 58 yards. The score stood 7-7 until the 3rd quarter.

Then mid-way through the 3rd quarter Amoneno hit Harry on a 40 yard scoring strike, but the play was called back on a controversial penilty. This put the Dragons deep in their own territory. Captializing, Miege scored, then in the last 13 seconds another T.D. ended the scoring and the season for the Dragons.

This summer the varsity squad went to camp at Eufaula, Oklahoma. They were really excited about bringing home the spirit stick and first place in district. About twice a week they bring Kool-aid and sometimes cookies or cupcakes after the boys football practice. During the week they plan skits, paint signs, and decorate the locker room. It is a lot of hard work so give them full support.

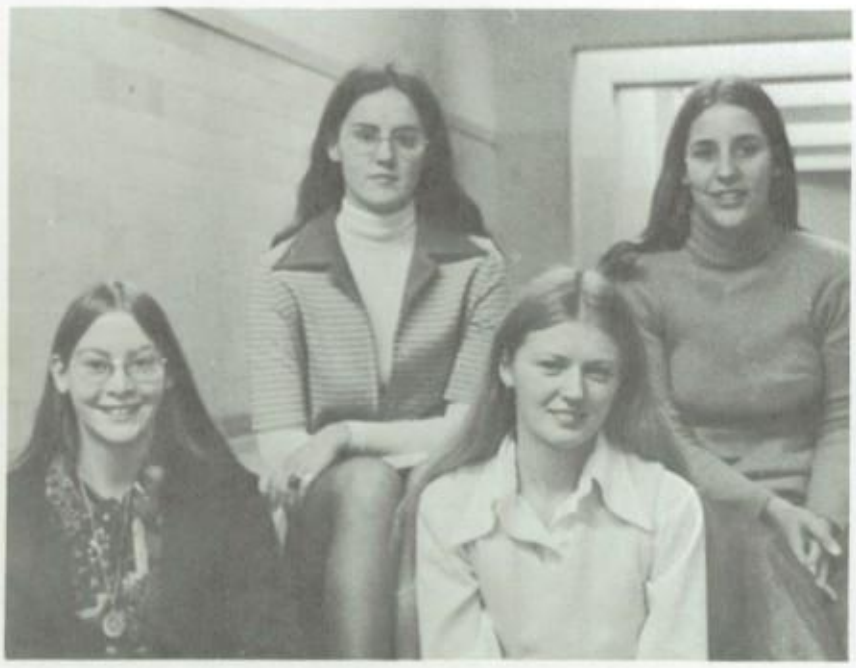
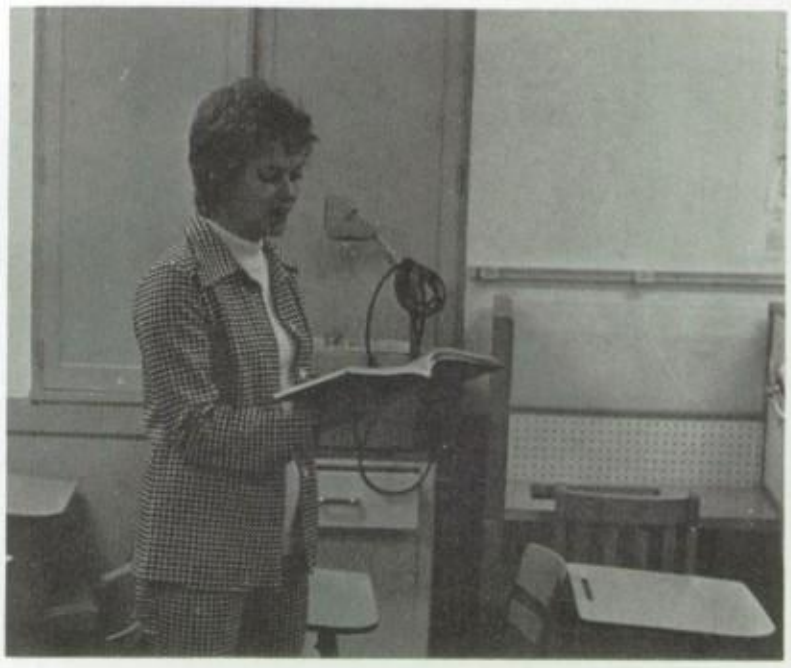
RUSSIAN CLUB





TRY IT

Students who are presently enrolled in Russian or who have completed two years of Russian Language study may be members of the PHS Russian Club.

YOU'LL LIKE IT.

The students saw a Russian film, IVAN THE TERRIBLE, at KSCP, spent a day on the K.U. campus where they learned more about Russian culture from the K.U. students who spent the fall semester in Leningrad.

IT'S DIFFERENT.

It's a fun language and students enjoy the challenge now. But, they also know that large manufacturing companies are going international, Russian will be useful when they leave school and enter the world of work.

The chamber orchestra spent the year performing for community groups, in contests, and in several concerts. The squads of our Marching Dragons were better than ever this year. Each squad attending camp this summer, performed routines at every home game and several parades. Sign Carriers, flashy smiles and all, let the crowd know what they're in for. The Dragon mascot really outdid herself. Does she ever run out of energy? Oh course, there are our devoted Drum Majors who worked with the band to make them the greatest!

Act, React, and Act Again

"Anything Goes" yes and everything did! From wigs falling to the floor, learning lines, and the hassle of bad dress rehearsals, the drama department of 1973-74 pulled off an outstanding performance. With determination and alot of hard work on main parts, costumes, dancing, and singing, it never hurts to say, "Break a leg!" Dianne Daugherty and Kathi Pistole portray a drunken mother and a corpse-like old lady as they present a One-Act play for several English classes. Mike Lemanski, Becky Grisham, and Marianne Kreissler appear as passengers in the All School play.

Drama Club officers are: Derrilyn Sharp, co-program chairman; Dianna McQuade, co-program chairman; Pam Handshy, Treasurer; Dianne Daugherty, Vice-president; Bette Walker, Secretary; Leah Tierney, President.

Let the
Army
help you
with college

Last year, 90,000 young people like yourself earned college credits in the Army.

They attended classes on post. They studied at nearby colleges and universities. And they took courses through our various correspondence programs. And the Army paid for 75% of their tuition costs.

Our educational benefits are in addition to the job training you'll receive, the salary you'll earn, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, call your local Army Representative.

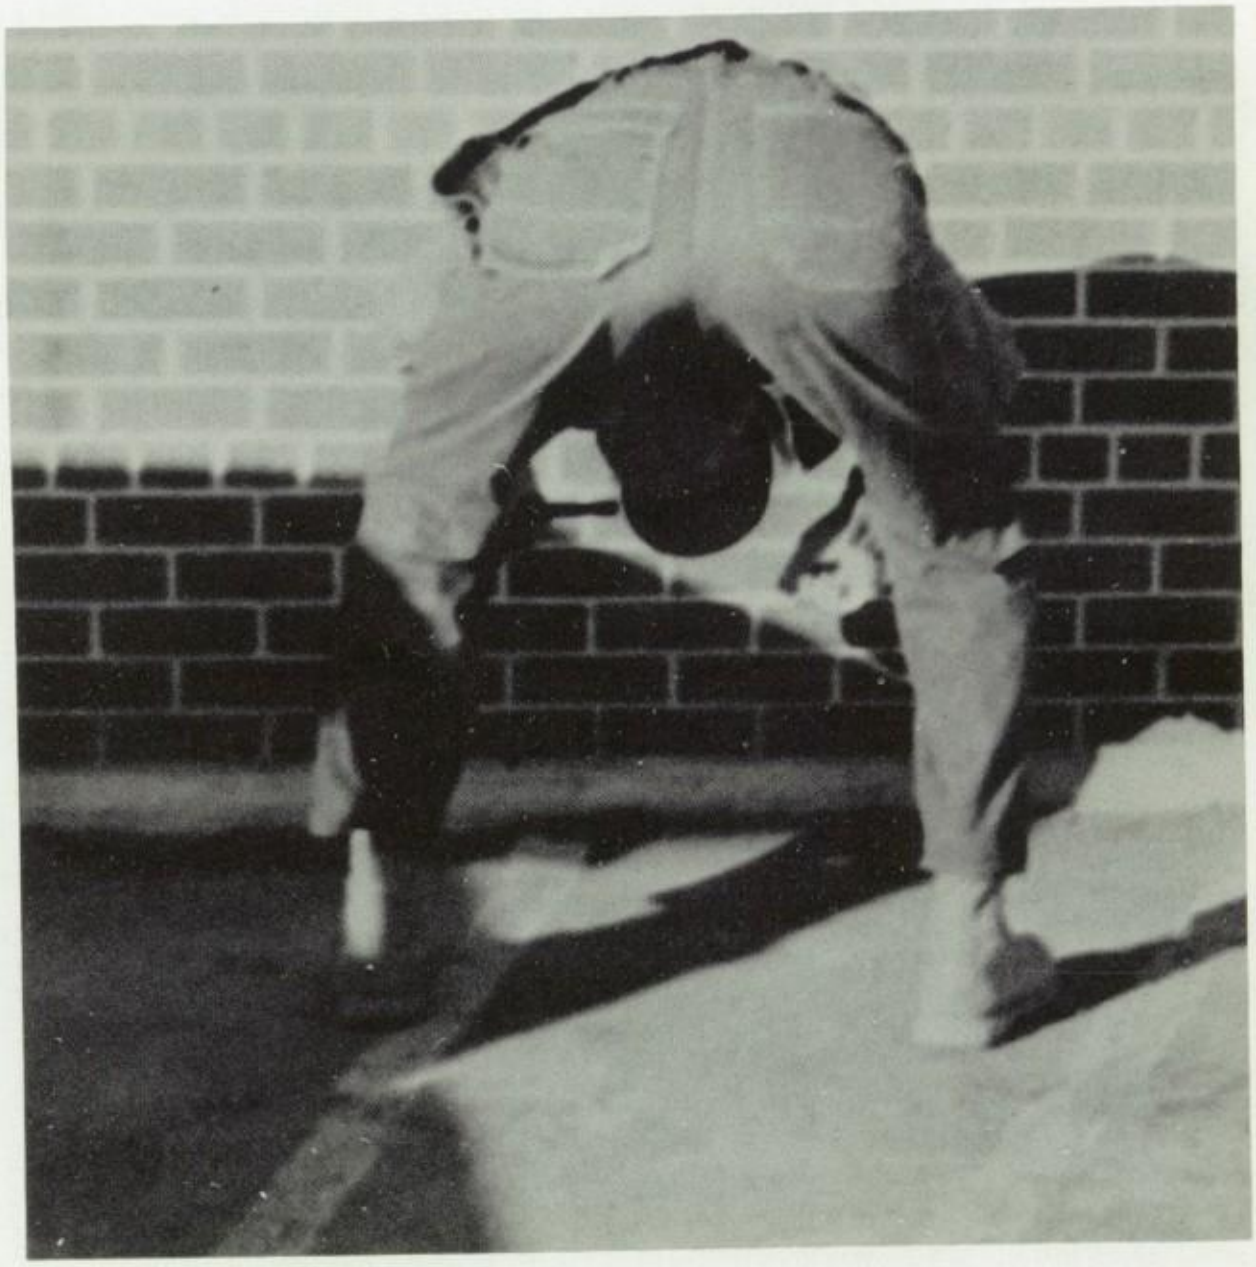
It all depends on how you look at things whether or not this is the beginning or the end. For the Seniors, May 29–we'll cry, jump for joy, be happy! Sad? Happy? Who knows–We'll be out, and forever the Greatest Class of '75. Juniors stand unaware of how quickly time passes when you're having a good time, and sophomores don't think they'll ever reach 1977–but then we didn't think we'd see 1975 either.



Voices Harmonize--Create New Sounds

Top Left--Chansonaires: Leah Tierney, Andy Corporon, Leonard Schneider, Tom Kellogg, Kirk Carpenter, Derrilyn Sharp, Doug Walker, Brenda Bath, Peggy Pruitt, Robin Osborn, Jennifer Trinklein, Lu Smith, Careyn Frost, Sherri Elliott; Top Right--Boy's Quartet: Leonard Schneider, Doug Walker, Del Stevens, Tom Kellogg; Bottom--Choir Council

Ta-dah! This is it like it or not, this IS it.

Finally, the 1974-75 staff decided there should be one purple and white yearbook before our high school days were over, and this is what we came up with.

There were times when I actually thought that there would be no yearbook this year, but as always, things worked out. (Thank Goodness.)The staff suffered severe cases of mental fatigue trying to figure out a suitable theme for the Purple and White. And as you can tell, Graffiti (or should I say Washroom Wit) was selected.

When the year started, I was terrified! I felt like a little kid who had just lost their mommy. Boy, did we have some rough times. Luckily we had a stupendous staff that made this book, whatever it is!

A big thanks goes to each and everyone of the staffers. Debbie, you were a great assistant editor and--would you fit this copy please? Greg, you did a great job on sports, thanks tons. And Bob, we'd have never made it without your talent. Thanks also to Julie and Lori for their many hours of work and for the good times. As for the rest of you nuts; Tena, Tina, Marianne, Brian, Berry (16 lines across and 8 down) Andy, and Mary Kay (alias Pearl). I'm forever grateful for your help. And last but not least, a special thanks goes to Mr. Harry. I know you had your doubts about us, but with your help and encouragment we did it.

Now with no further ado, I leave you with the 1975 Purple and White. May it always bring back your fondest high school memories.
